

COVID-19 BUSINESS ESSENTIALS

Ideas to help businesses keep
their colleagues, customers and
visitors safe.

SAFETY POSTERS

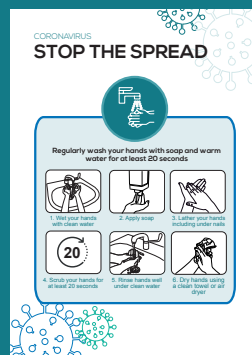

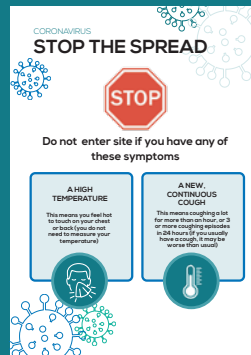

Reinforce the latest Government issued safety guidelines on a large format poster. If you've had to make changes to the way customers interact with you, they can also be used to advertise operational messages like new opening hours or a temporary new address.

FLOOR STICKERS

Encourage customers to stay a safe distance apart and reinforce important safety messages with instructional floor stickers. Choose between indoor or outdoor variations. The outdoor option is made from an aluminium based substrate and can be recycled.

QUEUE BARRIERS

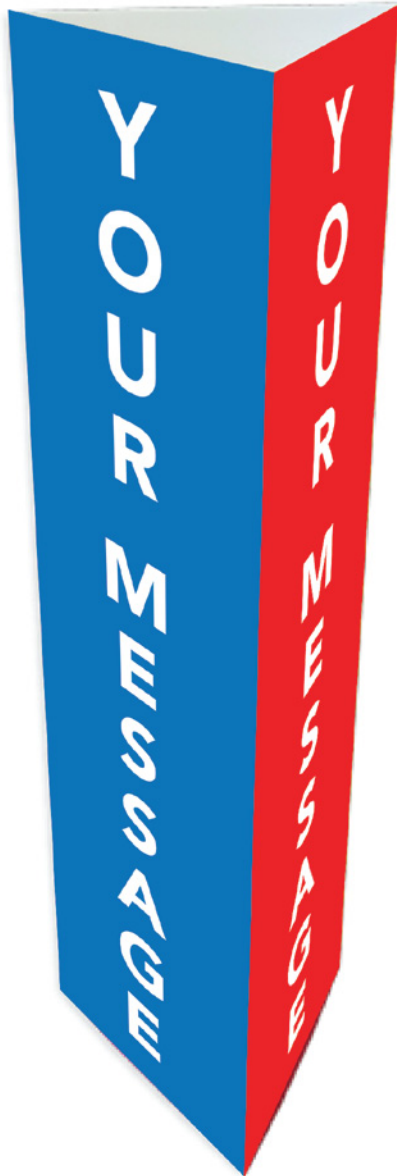

With the introduction of social distancing advice it may be necessary to change the layout of your entrances, till areas or working and canteen spaces. Branded queue barriers can guide your visitors and employees safely and help to keep them informed.

CONE SIGNS

Customise traffic cones with these slip-on signs. Simply slide the signs over the top of the cone for an instant attention-grabbing device.

Use outside as a queue controlling measure, to aid navigation, or to help define designated collection or delivery spaces.

SANITISING STATIONS

Desk/Wall Sanitising Unit

Gloss white, branded, wipe-clean sanitising dispenser units. Easily deployed to sit on counters, desks or affix to walls so available whenever staff, visitors or customers require them.

Make instructions or your brand message clear using the updatable A4 grip poster frame.
